

**PHD IN ENGINEERING (RESEARCH)**  
**NORMAL DURATION**  
**CURRICULUM STRUCTURE**

| Category |            | Course Codes                                   | Course Name                                                         | Credit Hours |
|----------|------------|------------------------------------------------|---------------------------------------------------------------------|--------------|
| Year 1   | Semester 1 | GENE 8000                                      | The Integration of Knowledge in Engineering: An Islamic Perspective | 3            |
|          |            | CHEN/CIVE/EECE/MECH//MC TA/MTRE/MFGA/SCIE 8951 | Research Methodology and Seminar                                    | 3            |
|          |            | CHEN/CIVE/EECE/MECH//MC TA/MTRE/MFGA/SCIE 8994 | Research Proposal                                                   | 0            |
|          | Semester 2 | CHEN/CIVE/EECE/MECH//MC TA/MTRE/MFGA/SCIE 8995 | Comprehensive Exam                                                  | 0            |
| Year 2   | Semester 3 | CHEN/CIVE/EECE/MECH//MC TA/MTRE/MFGA/SCIE 8999 | Thesis                                                              | 0            |
|          | Semester 4 | CHEN/CIVE/EECE/MECH//MC TA/MTRE/MFGA/SCIE 8999 | Thesis                                                              | 0            |
| Year 3   | Semester 5 | CHEN/CIVE/EECE/MECH//MC TA/MTRE/MFGA/SCIE 8999 | Thesis                                                              | 0            |
|          | Semester 6 | CHEN/CIVE/EECE/MECH//MC TA/MTRE/MFGA/SCIE 8999 | Thesis                                                              | 0            |
